INSOLE
Durable and comfortable woven fiber insole

5

LINING
Supple, woven, bacteria treated comfort plus vamp lining

4

Soft Eva hinged strip that adds additional protection to the foot

3

STEEL TOECAP
Safety Toe meets EN-ISO-20345 2004 Standards

2

Toe and Counter Bumper Guards omit

1

COMFORT INSOLE
Dual density EVA, with soft texturing

7

Genuine comfort flex strobel construction

6

LINING
Soft, breathable, anti microbial AMPA approved, ecological and recyclable SMARTEC

8

COUNTER
Rugged thermoplastic molded counter

9

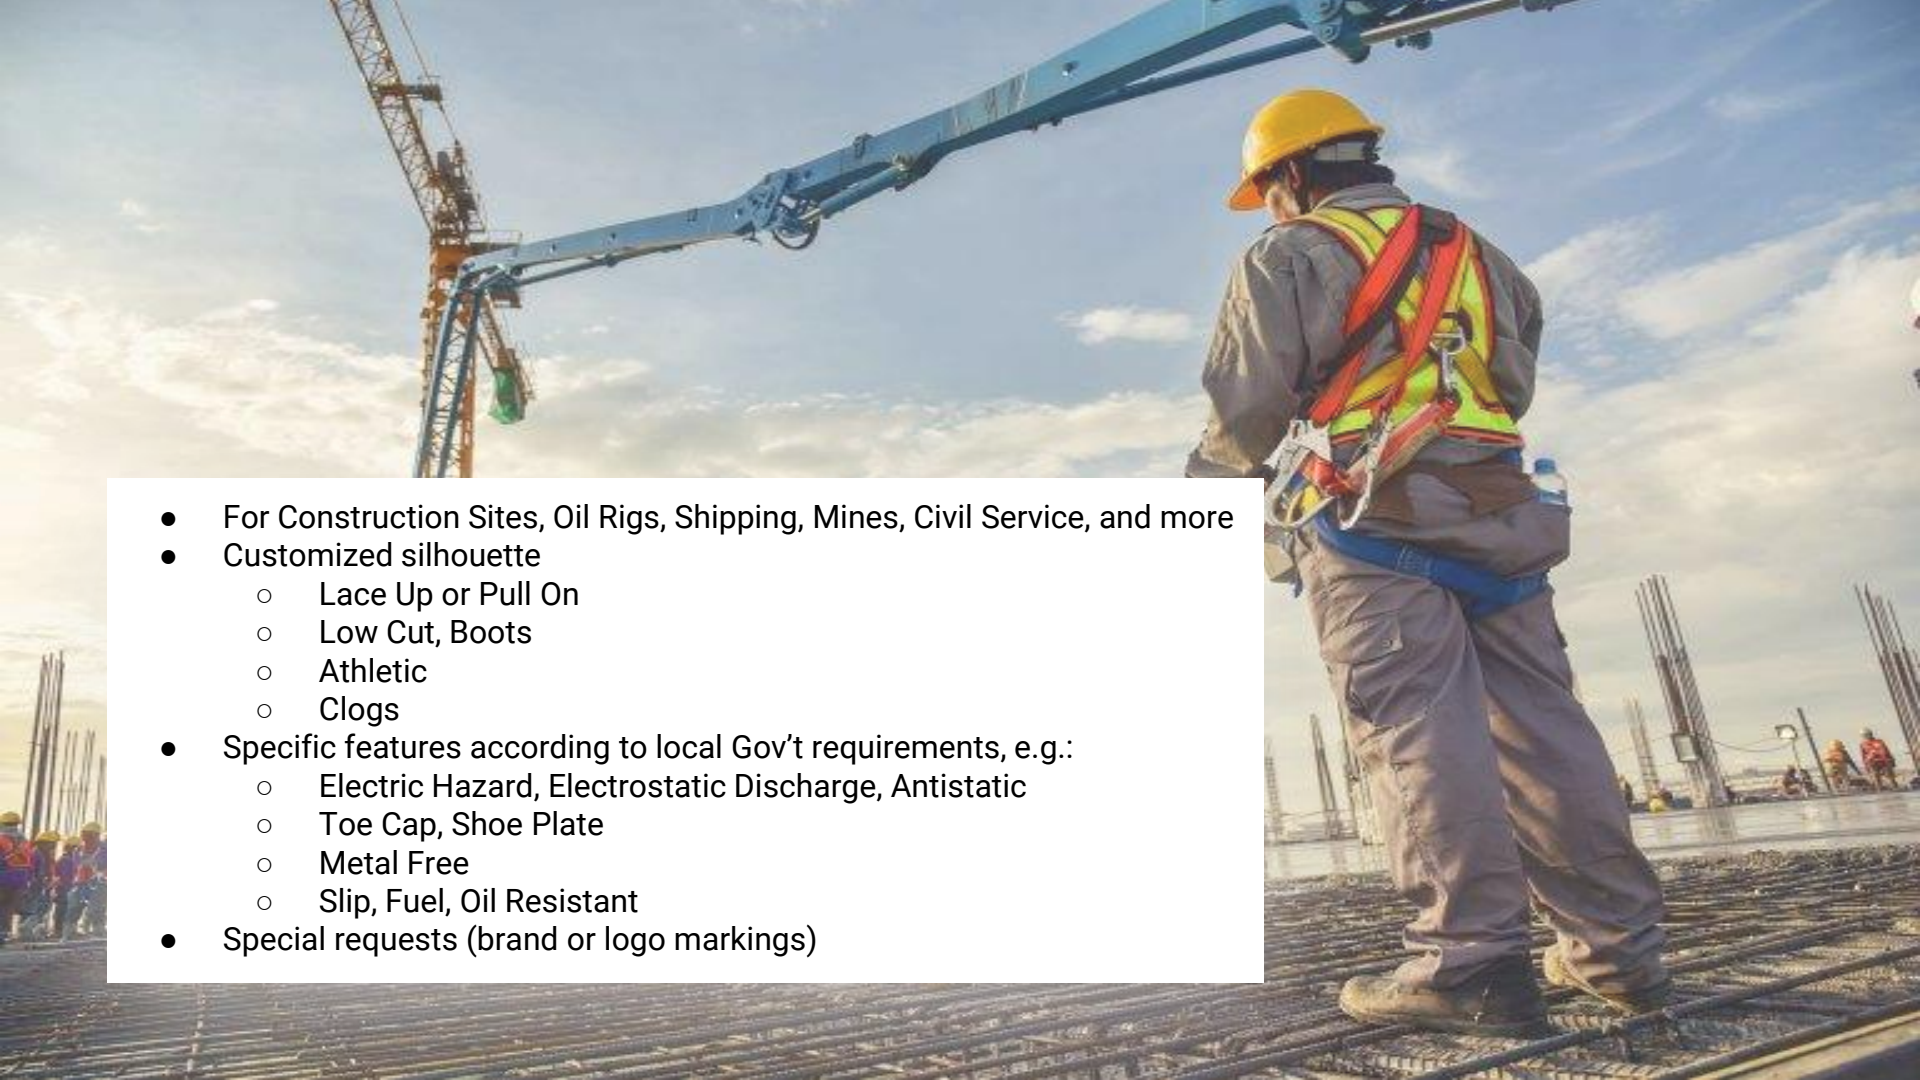

COLLAR
Soft Cow Leather + 12.0mm high abrasion foam

10

OUTSOLE
Long wearing - Oil resistant Quick grip Rubber Outsole

11

- For Construction Sites, Oil Rigs, Shipping, Mines, Civil Service, and more
- Customized silhouette
 - Lace Up or Pull On
 - Low Cut, Boots
 - Athletic
 - Clogs
- Specific features according to local Gov't requirements, e.g.:
 - Electric Hazard, Electrostatic Discharge, Antistatic
 - Toe Cap, Shoe Plate
 - Metal Free
 - Slip, Fuel, Oil Resistant
- Special requests (brand or logo markings)
