2025

After 10 years walking with you, we are excited to present our new image. This restyling reflects our evolution and commitment to innovation, quality and design, while maintaining the essence that has brought us this far.

For the new **Pitas SS25** collection, we have been inspired by the energy of sunny days and warm nights and you will find designs for men and women who value comfort but don't compromise on style, reaffirming our motto:
“Walk Free, Walk in Pitas”.

We are happy to share this new era with you and we thank you for being part of our history.

May our designs accompany you in every step, whatever the journey.

Welcome to the new Pitas era!
